IN MEMORIAM

When we beheld your final sleep
'Twas this resolve we aimed to keep;
We will remember many days
Made cheerful by your merry ways,
And all the spicy, saucy quips
That tumbled dancing from your lips;
And tales well told that only you
The wit and humor could construe;
We'll miss you, Mazie, and you know
The pain will pass as time will go,
But even though the ache won't last,
We will remember where you passed.

Lillian Abramson

A teacher affects eternity.

HENRY BROOKS ADAMS
(1838-1918)

MR. WAGNER frequently confers with members of the student body.

Administration

As principal of Montgomery Blair, Mr. Wagner administered and supervised the entire instructional program, and in general strove to raise the standards of our school. With this his predominant goal, he worked to maintain the quality of Blair's teaching staff by acquainting new members with school routines and procedures, by conducting staff meetings, and by offering the teachers opportunities for in-service training. In addition, he oversaw the actual material taught and the methods teachers used in teaching it. To create a link between the home and the school, Mr. Wagner frequently conferred with parents. As a result of these efforts Blair has maintained its high quality of education, has strengthened the bonds between the community and itself, and has become an efficient and smooth-running organization.

MR. RICHARD E. WAGNER
Principal

Administration

Each of Blair's assistant principals ran his department to insure the smooth transaction of business and the efficient operation of our school. Mr. Fitzwater's duties entailed the administration of such school personnel as the secretaries, custodians, and cafeteria staff, and the supervision of the school's business affairs, the office staff, and the maintenance of the building and grounds. He also scheduled activities on the school calendar, and handled disciplinary situations. Mr. Craft worked closely with the students, checking their daily and classroom attendance, and keeping their records in order. In addition, he supervised the Guidance Department, and coordinated student publications. Mrs. Lavery's responsibilities involved maintaining the effectiveness of the instructional program. She ordered textbooks and educational films, oriented new teachers, obtained substitutes, and administered the student teacher program.

With the ever-increasing student enrollment at Blair, individual counseling for each student became a greater responsibility. Careful scheduling of high school courses led all students into their possible areas of concentration. Through the Guidance Department, college bound seniors learned about their selected schools and prepared themselves to meet the entrance requirements, while through vocational counseling, students learned of the job opportunities in their chosen fields.

Office Staff

The office staff served as receptionists, secretaries, and assistants to our principals and vice-principals in the Main Office, to the vice-principal in the Attendance Office, and to the Counseling Department. The efficient personnel received guests, filed, typed, and received and answered phone calls. The staff also helped to schedule the school calendar, put out bulletins and notices, and prepared orders for school supplies. In the Attendance Office, the staff helped to maintain complicated daily and monthly attendance records. To aid the college counselors, the staff helped to maintain permanent record cards and to send out material to colleges regarding applications. A school of Blair's size could not have possibly functioned without the competent assistance of the office personnel.

Nurse

The nurse's office was staffed at all times by the nurse, her assistant, and several student volunteers. They were prepared to give medical assistance to Blairites who might have been injured in such areas as physical education, home arts or shop, or to students who became ill during school hours. Students were then advised to lie down and rest until they felt better or were taken home.

English

This year Blair's English Department emphasized a progressive program of literature and composition. The Structured Writing Program enabled students, after first analyzing the works of classical and modern authors, to analyze objectively their own compositions. Selected Seniors participated in the Advanced Placement program, a new freshman college English course at Blair. After they studied the various types of literature, poetry, drama, short story, and essay, they created their own.

LIBRARY

The Montgomery Blair library with its ever-growing number of books, magazines, and reference materials, served its students in all areas of scholastic research. The first room to open its doors in the morning, and through the PTA night library service, the last to close each evening, students found it always available at their convenience. But the library was more than just a place to study. Seniors found relaxation in their corner, clubs had a hospitable place for their teas and inductions, Student Council made it a central location for its drives, and all students, upon entering, took pride in Blair's trophies adorning the shelves.

Added to the already established curriculum were three new courses: Far Eastern history, Pan American history, and Twentieth Century Problems. Pan American history, a semester course, included the sociological, political, and economic development of the South American countries. Far Eastern history, a semester course alternating with Pan American history, provided an intensive study of the cultures of three Oriental countries, India, China, and Japan. Twentieth Century Problems dealt with present-day problems in international relations. Students gained both a better understanding of the growth of democracy and its struggle for survival in the modern world through their study of history and an insight into human behavior and motivations. All these courses will enable the students of the present to make a better world for the future.

Foreign Languages

The main objective of the modern foreign language courses at Blair under the audio-lingual system was the art of speaking. Students of Spanish, German, and French first listened to the tapes, then imitated the accents, and finally learned to write what they heard. The Spanish Department had a unique situation with nearly twenty Latin-American students enrolled in the third and fourth year courses, enabling the classes to be held entirely in Spanish and teaching the American students colloquial vocabulary. Latin was not conversational, and through the traditional method, second, third, and fourth year students studied Caesar's Gallic Campaigns, Cicero, and Vergil.

MRS. FISHER'S GERMAN 2 CLASS, meeting in an audio-lingual lab, listens to especially prepared tapes of German speakers to improve their pronunciation.

Science

Keeping pace with the recent emphasis on scientific knowledge, Blair's students enthusiastically participated in an intensive program of experimentation. They viewed the physical world through the lens of a microscope, broadened their knowledge of the chemical world through laboratory research, and explored the world of physics through experimentation with mathematical theory and the laws of natural science.

STEVE FIRSHEIN AND MARK SOLER apply their knowledge of physics in operating a signal tracer and an audiogenerator.

Mathematics

Blair's Math Department was one of the most advanced in the county, this year offering a special "Math 5" class in advanced calculus. In addition, the department met the needs of all students with its standard courses in applied math, business math, algebra 1 and 2, plane, solid and analytic geometry, trigonometry and elementary calculus. Six-foot slide rules, green plastic conic sections, and map-size blackboard graphs became standard equipment in all classes and aided students in their comprehension of mathematics.

HOLLACE GOLDBERG AND JEAN WELCH gain speed and accuracy in shorthand by taking a dictation through a dictaphone.

Business Education

Blair's Commercial Department prepared business students for future careers by giving them a thorough grounding in the basic skills of typing, shorthand, and bookkeeping, as well as the academic subjects, English and history. To gain additional office experience, the students learned how to become adept in operating such office equipment as mimeograph machines, automatic calculators and adding machines.

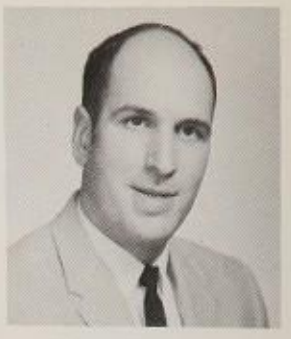
Mr. T. Heyser



Mr. S. Figenbaum

Under the Co-operative Work Experience program, students gained practical experience in their chosen vocations and acquired on-the-job training. The participants attended school in the morning and in the afternoon worked on jobs which the department had secured for them. They worked in such fields as retail and wholesale merchandising, industry, electronics, and business. An advantage of the program was that the department placed the students in the jobs best suited for them, and as a result, many of them continued in the same job full time after graduation, or secured a similar occupation.

Bank

Mr. W. Keibler

Forty-five banking students under the training and guidance of Mr. Keibler learned the fundamental skills of totalling, balancing, recording, and depositing while serving the school with financial advice and conveniences. Through their hands passed funds from almost every phase of Blair life—games, dances, welfare contributions, shows, publications, class rings, pictures, caps and gowns and club accounts. The bank was operated entirely on a professional level, with 4% interest on savings and all funds insured by Federal Deposit Savings and Loans Insurance Corporation.

THE BANK WINDOWS are open before school, during lunches, and after school to accommodate student and faculty business.

MUCH WORK TRANSPIRES behind the scenes at the bank; here Lynn Dietle and Oliver Hida check deposits in the savings accounts.

Home Arts

The Home Arts Department on the third floor of "B" building with its two kitchens, sewing room, livingroom and bedroom was well equipped to teach girls the art of homemaking. Students in Home Arts 1, 2, 3 and 4, depending upon their previous experience in junior high, learned to cook nutritious but delicious meals, designed and made skirts, blouses, suits, coats and formals, studied wardrobe planning and budgeting and became acquainted with home decoration and furnishing. Juniors and seniors planning to major in home economics took Home Arts Major 1 and 2 which gave them a strong background for college or a career. Home Arts Survey was offered to senior girls who had not previously taken Home Arts and taught them the basic skills necessary to raising a family.

Industrial Arts

Practical application of skills learned through lecture and study was the purpose of the Industrial Education classes. Students studied the fundamentals of drafting and then read and drew their own blueprints in the Mechanical, Architectural and Electrical Drafting courses. In Cabinetmaking 1 and 2 students learned the proper care and use of hand and power tools and developed the skills of furniture making. The Art Metals classes designed, cut and polished jewelry of enamel, sterling silver and stones, and the Printing students, after learning about type case, layout and design, linoleum blocks and offset platemaking practiced what they had learned from Blair's printing machines.

Fine Art

Students developed creativity through art courses of every level and interest field. Art 1,2,3 and 4 emphasized sketching, painting, silk screen, serigraphy and portraiture, while students interested in ceramics and sculpture, poster and display or illustrative art applied themselves the entire year to these specific skills. The art courses at Blair enriched students' leisure time by developing an appreciation of art, and also prepared those in pursuit of art as a vocation.

Music

Musically minded students improved their skills in the band, orchestra, and chorus classes. These elective courses concentrated on both music theory and playing and singing techniques, and as its ultimate goal, trained students to perform in a group. Blairites with an interest in music but without musical training, took music appreciation and through lectures, field trips, recordings and outside reading, learned about composers of different periods, and how to appreciate good music.

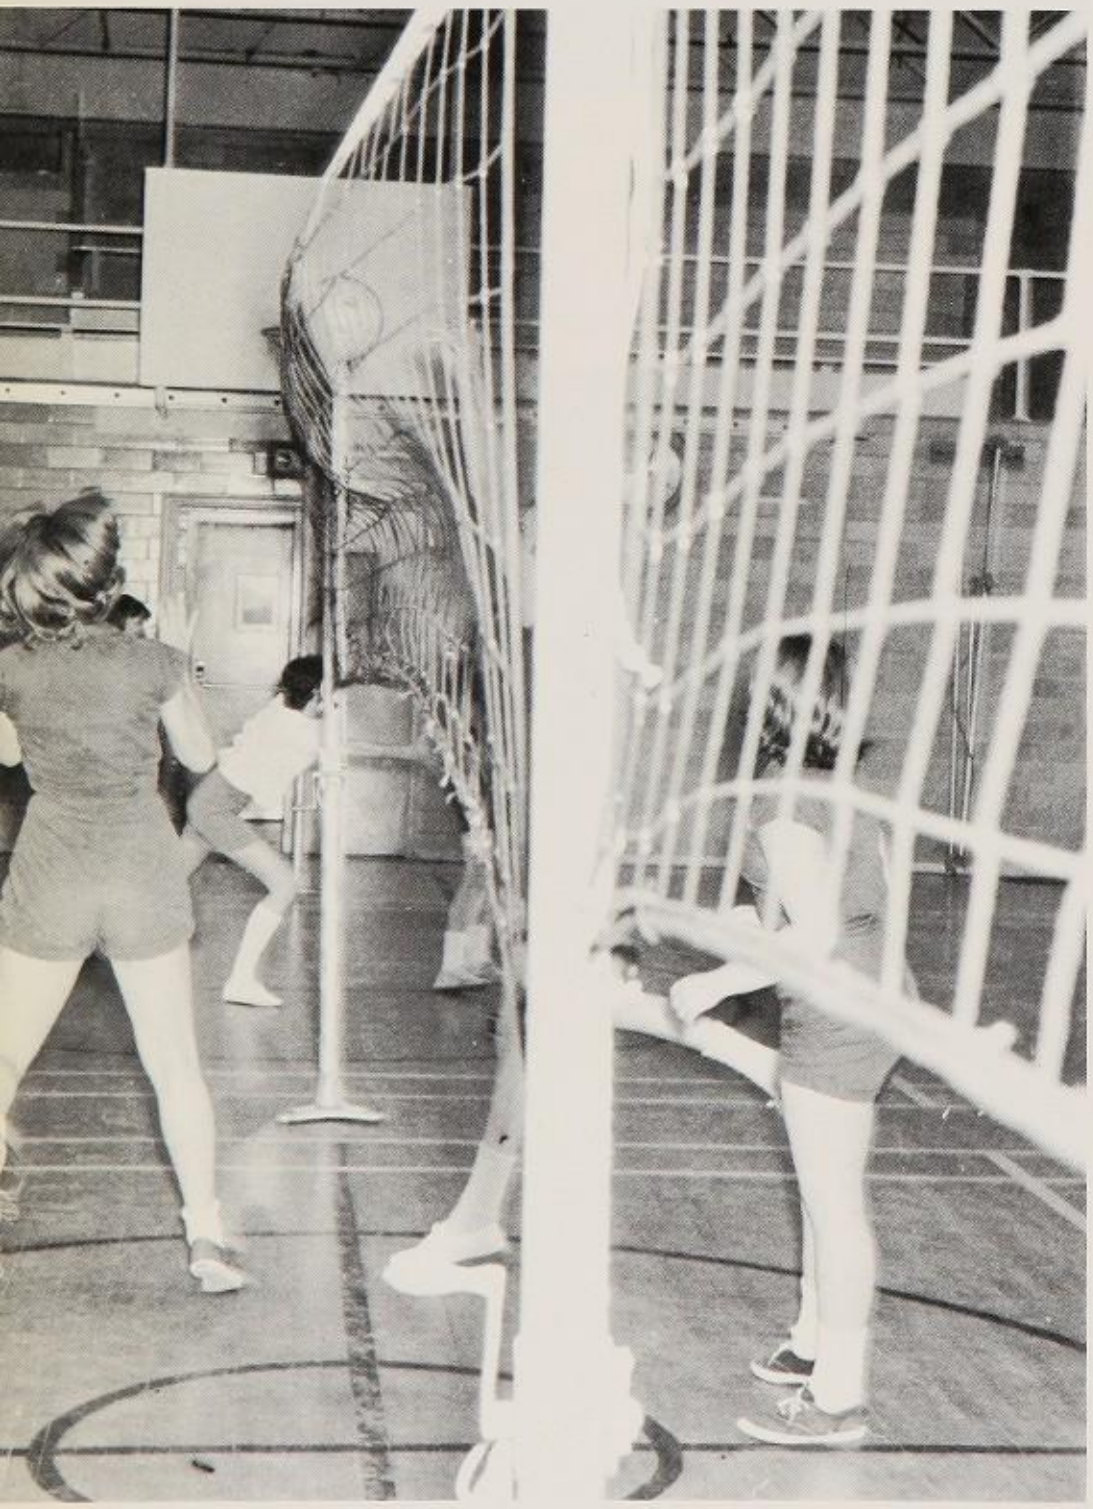
Boys' and Girls' Physical Education

WITH ALL EYES FOLLOWING THE BALL, the right forward stretches to make a net recovery in a volleyball game.



Physical Education was a required course for sophomores and an elective for juniors and seniors. The Boys' Physical Education course began the year with touch football, soccer and speedball, concentrating on agility, speed, strength, balance, coordination, timing, and teamwork. During the winter the classes turned to indoor sports—basketball, gymnastics, tumbling and volleyball—and to a classroom unit of social hygiene. With the return of warm weather, the classes undertook the spring sports and developed the skills of baseball and track.

Girls' Physical Education had a two-fold objective. The main goal was to develop athletic ability, coordination and sportsmanship through participation in such individual and team sports as basketball, softball, field hockey, golf, tennis, and archery. The second area of instruction was health education, which included social hygiene, marriage and family relationship, and mental hygiene. In addition, after school hours, interested students participated in the intramural programs and earned points toward GSA letter awards.

Driver Education

Driver education combined classroom instruction with actual behind-the-wheel training to teach students the laws, skills and proper attitudes of driving. A text and workbook, a handbook of Maryland traffic regulations, movies and slides were the instructional devices used in this course as well as machines and instruments testing and developing reaction timing, distance judgment and visions adjustment at night. Students earned a certificate attesting to their driving skill and a reduction in insurance rates.

Cafeteria and Custodian

The cafeteria staff provided lunch each day for the faculty and approximately twenty-eight hundred Blair students. Food preparation began early in the morning. During the lunch periods, the ladies served the delicious food from the hot tables to hungry Blairites. After lunch, the industrious staff readied the cafeteria for the next day's luncheon.

The Blair Custodial staff worked throughout the school day and into the evening keeping the halls and classrooms clean. Each day they provided the necessary services in maintaining the proper functioning of the school's utilities. In addition, they were always available for such detail as setting up chairs for night meetings and cleaning up after dances, basketball games and shows.

Communications

Communication between student government and the student body was the keynote of the executive branch, the bicameral congress, and the Activity Council. Four elected officers made up the student government's executive committee. The president appointed his cabinet; each member chaired a standing committee. He also formulated policies on interschool affairs, and held the veto power over legislation enacted by the Congress. The vice-president served as a liaison between the two houses of Congress—as a voting member of the Senate and President of the Representative Assembly. The treasurer formulated the student government budget, handled its financial transactions, and coordinated selling projects. Acting as legislative coordinator of student government, the secretary scheduled proposed bills on the calendar for both houses. The judicial branch of student government, the Constitutional Board, acted as the final interpreter of the Constitution, supervised all elections, and compiled student government records. The Senate used its powers to coordinate and schedule selling projects, plan assemblies, and maintain the school store. The Representative Assembly, composed of one representative from each homeroom, allowed students to express their opinions in Congress. These two houses held concurrent power to approve the budget, to initiate referenda, and to schedule record hops, as well as to determine activity ticket policies. The Activity Council, including all club presidents and organization heads, advised the president on such student government duties as the issuing of club charters and the scheduling of record hops.

Planning for Student

Student Government committees planned and publicized school activities and programs. The Activity Committee enforced the activity limitation which provided for more student participation and handled the chartering of new organizations. The Welfare Committee allocated its funds evenly between American and foreign interests. The American portion helped support six students through the Save the Children Federation, aided the American Cancer Society, and contributed to the Salvation Army. The other half aided the support of a Greek orphan, and went to such organizations as CARE, SS Hope, and the American Farm School in Greece. The

Information and Enjoyment

Publicity Committee announced school activities through a weekly radio program and columns in four local newspapers. The In-school Publicity Committee innovated a news bulletin board of club and Student Council announcements. Members of the Public Relations Committee served as guides and hosts to Blair's visitors and helped to orient sophomores. This group also held jurisdiction over the Homecoming activities and the domestic exchange program. The Dance Committee planned the themes of Blair's dances and class parties, and designed the decorations. Subcommittees sold tickets and cleaned up after the activities.

After a remodeling, the school store reopened this fall with items to meet the students' needs. The staff sold school supplies, sweatshirts, decals, and streamers, providing both a saving for their customers and a profit for student government.

The Ways and Means Committee also raised money for Blair's treasury. Enthusiastic students sold student directories, tickets at a discount to area cultural events, and "beat" buttons, including this year's "Beat the Exams" slogans.

The Athletic Committee assisted in another major fund-raising activity by taking tickets and punching activity cards at athletic events.

WAYS & MEANS COMMITTEE—*Front Row:* Ray Goldstein (Ch.), M. Holtzman, S. Schuman, D. Rudden, B. Mayer, A. Frisch, B. Gordin, N. Lewis, D. Stein. *Second Row:* J. Berkowitz, K. Jones, F. Walker, B. Special Projects

The students of three committees at Blair volunteered their services in assisting school functions. The Citizenship Committee aided faculty members in monitoring the halls and the cafeteria at lunchtime, and in seating students at assemblies. The Safety Committee posted instructions in each room for fire and Civil Defense drills. The Chair Committee set up the seats at each assembly, at school dances, club teas and for classroom visitors.

SAFETY COMMITTEE—*Front Row:* Jill Starr (Ch.), N. Sorrells, K. O'Leary, A. Graham, R. McClintic, P. Habib, S. Gregory, K. Nelson, D. Walters. *Second Row:* A. Sandberg, S. Wadsworth, S. Long, B. INTERHIGH—*Front Row:* Donald Gurewitz (Pres.), P. Deming, B. Bunch, N. Druckenbrod, M. Soler. *Second Row:* W. Ogburn, R. Arnebeck, R. LaRocca, R. Malikan.

Ambassadors

This year the Advanced Chorus sang at assemblies and PTA meetings, for Walter Reed, Kiwanis, and for TV and radio broadcasts. The group also performed at the Twentieth Century Club and at the chorus exchange program for the area junior high schools. Interhigh served as the coordinating council of county high school student governments. It improved the student governments of new schools and represented Montgomery County youth in controversial issues. Through inter-school cooperation the member schools exchanged ideas and evolved programs beneficial to both themselves and the community.

# of Goodwill

The Blair marching band celebrated its 15th anniversary this year. The members performed in competitions, parades, and concerts, and displayed precision skill at half-time.

The Varsity Club consisted of members who have shown outstanding athletic ability and have earned at least one varsity letter. At the end of each season, new members were recruited until the club was composed of lettermen from every school sport. The culmination of the year was the annual "Father-Son Banquet" at which trophies were awarded to those graduating seniors who excelled in athletics by achieving two or more letters.

AT THE END of a half-time performance, the band marches off the field.

Entertainment at Half-time

Providing the half-time entertainment at all the home football games and several away-games were the twenty-six majorettes. Reflecting many hours of practice, the seven baton twirlers, flanked by the fourteen pom-pon girls and five colorguards, performed with precision at all times. This group also operated a snack bar after school, which was a favorite meeting place for Blairites.

Memories of the Year 1964

Award-winning SILVERLOGUE mirrored the year at Blair. The twenty-three staff members met daily to plan layouts and write copy, so that the student body would have an enduring memory of school life. Candids captured that winning touchdown, a pensive student, and the enthusiasm and spirit of school. A new teacher or a new organization suddenly became familiar to the student through the copy. A year at Blair was recorded.

SENIOR STAFF – *Front Row:* C. Perkus, Joy Chapper (Editor-in-chief), N. Goldberg, B. Cohen. *Second Row:* I. Wattenberg, L. Reich, S. Meltzer, M. Shenker, B. Peisner, N. Druckenbrod, G. Closter.

ART STAFF – *Front Row:* Betty Jo Mushet (Co-editor), Jamie Heath (Co-editor), E. Higdon, C. Grossman, L. Knapp, M. Johnston, G. Kennedy, E. Schwartz, J. Sookne, L. Robins, C. Pellerzi, V. Bliven, K. SPONSORS, Mrs. Wubnig and Mrs. Sherry evaluate articles with Sue Larson (Editor-in-chief).

Silver Quill, Blair's bi-annual literary-art magazine, represented the creativity of the student body. The staff held weekly meetings to discuss and evaluate the literary material submitted by members and interested students. Staff members met daily during sixth period to work on production of the magazine and to develop policy.

Expressing Student Creativity

Informing the Student Body

Blair's Award-winning newspaper, *Silver Chips*, reported the activities of the various clubs and the Student Government. The thirteen staff members combined their talents of writing copy, photography, and organization, to put out fourteen issues and such special issues as *Silver Slips* and the election issue.

SILVER CHIPS—*Front Row:* Hollace Goldberg (Co-editor), Steve Perin (Co-editor), S. Feinstein, N. Goldberg, L. Guinnee. *Second Row:* L. Wiseman, L. Kramer, J. Rudin, A. Bernstein, E. Kurtz, L. Lewis, D. Marchant, C. Valoris.

CO-EDITORS—Steve Perin, Hollace Goldberg and Mr. Cooley (Sponsor) determine *Chips* policy.

Promoting Friendship Throughout the World

Two of Blair's clubs shared the common purpose of promoting international understanding and friendship. The U.N. Club acquainted the students with the workings of the United Nations through speakers, movies, and displays. The members made regular trips to International House, the meeting-place of foreign students, and contributed to UNICEF. The Foreign Exchange Club acquainted the student body with the exchange students in the area by having them speak at the weekly meeting. The club sponsored candy sales and drives to help pay for exchange expenses.

FOREIGN EXCHANGE CLUB—*Front Row:* Betsy Cohen (Pres.), G. Klika, L. Silverman, L. Triana, J. Hart, D. Schneider, R. Kaye, N. Ahumada. *Second Row:* C. Shiskin, T. Cramer, S. Brill, D. Ahnes, A. FRENCH CLUB—*Front Row:* Michael Pearlman (Co-pres.), Terry Speilman (Co-pres.), B. Lewis, C. Albert, A. Bernstein, R. Landsman, N. Druckenbrod, B. Cohen, L. Triana, P. Beldock, S. Feinstein. *Second Row:* J. Yoshohashi, B. Wood, E. Littman, S. Dryzer, S. Weldon, L. Shaefer, D. Davenport, J. Moldvax, L. Ryan, B. Soper, R. Peisner, E. Barney. *Third Row:* C. Power, R. Pollach, L. Reich, J. Pukatch, M. Nemiroff, B. Marlowe, L. Lewis, S. Meltzer, M. Schechter, M. Holtzman.

Appreciating Foreign Cultures

Blair's foreign language clubs contributed to the extra-curricular cultural program. All three featured films and speakers on their respective countries and had dinners at the end of the year at downtown restaurants specializing in French, Spanish, or German cuisine. The French Club also held conversational meetings and raised money to support an Algerian refugee family in France. The Spanish Club held Latin style "fiestas," and the German Club sponsored a pen pal program.

SPANISH CLUB—*Front Row:* B. Sun, A. Speizman, L. Guinnee, B. Cohen, L. Triana, S. Hile, M. Schoendorfer. *Second Row:* Rebecca Pillow (Pres.), S. Sotsky, S. Gimple, B. Dobbs, M. Jacques, J. Sisson, J. Morgan, M. Pfefferman, K. Canavan, V. Blacksin. *Third Row:* P. Triana, J. Gordon, G. Kretmar, B. Hammer, B. Crawford, L. Mueller, D. Horslev, B. Fisher, K. Fitzgerald, A. Foster, A. GERMAN SCRABBLE—*Front Row:* Hank Schwartz (Capt.), M. Diamond, C. Albert, L. Lea, B. Latzko.

One of the newest areas of interschool competition grew more popular this year as the German and Latin Scrabble teams composed ten letter words with "x's," "q's" and "z's" to total a winning combination of points. Combining the fun of a competitive game with the study of a foreign language, these students were rewarded by the enjoyment and the education they gained.

Sharing Common Interests

Members of the Bridge Club met weekly to improve their game and to increase their knowledge of contract bridge.

Lab tables in the chemistry room were transformed into chess boards each Thursday afternoon as the Chess Club met and practiced for league tournaments.

Blairites with stamp or coin collections chartered the Stamp and Coin Club and met bi-weekly to trade duplicates and to discuss their hobbies.

STAMP & COIN CLUB—*Front Row:* Norman Sperling (Pres.), N. Yockelson, H. Cohn, F. Spiegelberg, B. Sharpe, S. Wish, S. Berman, A. Pollin. *Second Row:* G. Gitomer, D. Brookes, P. Byer, S. Zweig, L. Fisher, N. Hachem, D. Sabghir.

the Sciences

Blair's science clubs provided their members with opportunities to gain a better understanding of the sciences and encouraged interest in the fields they represented. The Science Club engaged speakers and ran movies on such branches as medicine, astronomy, physics, and math, and in addition, took charge of the Science Fair. Blair's Math Team matched its problem-solving ability against other area schools in bi-weekly contests. Each competitor tried to complete five math problems within a time limit. Members of the Chemistry Club viewed educational movies, listened to lecturers, and on one occasion visited the Naval Research Laboratories. The Astronomy Club met to view the heavens through telescopes and to discuss their mutual interest. The Herpetology Club strove to counteract the trend of misunderstanding of reptiles with lectures in biology classes and demonstrations with live snakes. The group studied reptiles by taking field trips to snake farms and going on snake hunting trips.

ASTRONOMY CLUB—J. Margolis, David Wallace (Pres.), J. Rudin.

HERPETOLOGY CLUB—L. Woodburn, J. Davidson, C. Selby, Dan Flowers (Pres.), B. Moyer.

AMATEUR RADIO CLUB—*Front Row:* John Stone (Pres.), J. Stein, B. Goldstein, T. Olszewski, B. Hermach, T. Murtaugh. *Second Row:* C. Stern, D. Sabghir, B. McCallum, S. Mason, M. Roueche, R. Tavan, K. Klein.

In the Amateur Radio Club, licensed amateur radio operators taught interested Blairites the Morse code and radio theory, and helped them to obtain their licenses. The group also set up an amateur radio station within the school, enabling it to take part in area communication drills. The Audio Committee operated amplification equipment for such school activities as the football games, basketball games, and outdoor assemblies. For activities taking place inside the Boy's Gym, the committee worked in the audio booth. In addition to their usual tasks, they operated the elaborate lighting system for the Senior Class Play and the Annual Show. A related committee, the Audio Visual Aides, supplied the school's projectors to classes needing them.

AUDIO-VISUAL COMMITTEE—T. Murtaugh, M. Mantich, J. Levin, D. Levy, P. Taylor, H. Goodall.

AUDIO COMMITTEE—J. Stone, J. Levin, T. Murtaugh, M. Mantich, S. Mason, B. Hermach.

the Future

This year three of Blair's clubs acquainted their members with the requirements of their chosen professions. Future Teachers of America taught students and observed classes at area elementary and junior high schools during their week-long program of practice teaching. Future Doctors and Nurses of America observed nursing classes at Sibley Hospital and Washington Hospital Center, and in addition did volunteer work at Junior Village. Members of Future Homemakers of America held discussions and viewed films on every aspect of homemaking and engaged speakers on the arts of interior decorating and hairstyling, activities preparing them for their future lives as capable housewives.

DEBATE UNION—*Front Row:* H. Cohn, T. Spielman, K. Fleisher, T. Spindel, R. Arnebeck, D. Waldman, M. Breeskin, G. Yudkoff. *Second Row:* R. Niedermayer, M. Hoffman, Louis Rosenblatt (Pres.), L. Wiseman, L. Goldstein, D. Fishback, S. Goldberg, I. Allen, R. Tannen.

The Art of Oral Communication

To develop the quality of clear, concise expression, interested students participated in three groups—the Debate Union, the Forensic Team, and the Discussion Club. The Debate Union competed in six debates—three County tournaments, one Maryland statewide tournament, and two national debates. The members met once every two weeks to plan their strategy for this year's topic, "Resolved that the Federal Government establish medical care under Social Security." The Forensic Team participated in three area tournaments during the year. The fifteen members competed in five categories—poetry recitation, serious and humorous interpretation, original oration, and extemporaneous speaking. The members of the Discussion Club met to discuss many aspects of literature, philosophy, and politics.

DISCUSSION CLUB—*Front Row:* James Alt (Pres.), B. Cohen, J. Pearl, S. Kahn, J. Chapper. *Second Row:* L. Cheskis, S. Winters, D. Chirieleison, R. Einbinder, A. Ogus.

DABBLERS' DEN—*Front Row:* Louise Knapp (Pres.), W. Aaronson, E. Rosenfeld, L. Robins, B. Meier, B. Mayer, B. Mushet, G. Rosenbloom. *Second Row:* P. Hartness, M. Thorn, C. Bonner, M. Griffin, T. Artistic Workshop

Dabblers' Den, Blair's art club, and the Folk Music Club were workshops where students gathered to express their creativity. Dabblers' Den members met Thursdays to sketch or sculpt, and to plan displays for the school corridors. The members of the Folk Music Club met every Friday afternoon to sing, play instruments, and write new folk songs.

STAGE CREW—*Front Row:* H. May, K. Reichel, S. Bahn, M. Bryant, K. Nelson, S. Nelson, J. Pierce. *Second Row:* L. Robb, B. Mushet, B. Meier, J. Kersey, D. Miley, K. O'Leary, L. Lawson, J. Aiding Librarians

With a membership of over 250 students, the Library Club was not only the largest club in the school but the largest of its kind in the state of Maryland. Its purpose since its inception thirty-four years ago has been to aid the librarians by shelving, filing, bookbinding and lending; and their work provided Blairites with a quicker and more efficient library service.

Appreciation of Music

Blair's orchestra this year combined knowledge of music theory and techniques with hours of exercises and practice. They performed at assemblies and PTA meetings with a wide repertoire including the classical works of Haydn, Tchaikovsky, Handel and Brahms, French and German operas and songs from Broadway musicals. Supplemented by members of the band, the orchestra's rendition of the score from *Carnival* helped to make the show a success.

Serving With a Goal

Blair's service clubs shared the common goal of making happier the lives of those people less fortunate than ourselves. The Key Club cared for the grounds at the Brookland Junior Child Center, made general repairs, and gave a Christmas party for the retarded children. Members collected money for such organizations as the Heart Fund, Alsac, UNICEF, and the National Symphony Orchestra. Finally, Key Clubbers went Christmas caroling at area homes for the aged. The O'Debs brought NIH patients to dress rehearsals of our school plays and sponsored a war orphan in a foreign country. At Christmas time they gave a needy family a dinner and gifts, sponsored a party at Junior Village, and sold Christmas mums to raise money for local charities.

Serving the Community and Blair

Blair's service clubs accomplished a dual purpose this year—serving both the community and Blair. Members of the Keyettes entertained the children at Junior Village, and took a group of orphans to the dress rehearsal of the annual show. Promoting school spirit, they sold homecoming buttons and confetti

at the game, and in addition, sold quality paperbacks in their bookstore. The Crests visited area mental institutions and collected canned foods at Christmas for the needy. Serving Blair, they cleaned the stadium after the games, and with the help of the Varsettes, painted the railings. The newly formed Blair Citizenship Association, BCA, a service club accepted all interested students. Its projects included raising funds for local charities, and bringing speakers to Blair for open meetings. Members of the Varsettes visited Walter Reed Hospital where they held parties for the patients. In cooperation with the Crests, they donated gifts to a local mental institution and gave toys to needy area children.

Varsity Scores Upsets

The performance of Blair's football team was the product of weeks of intensive drill, molding the squad into one efficient unit. The powerful Blazer line, unyielding defense, and speedy backfield scored a total of 193 points, while limiting the opposition to 114. The opening game with Eastern brought a 26-6 victory, and showed how rugged our team promised to be. In spite of a few close defeats, the team's morale and spirit never dimmed, and the Blazers exhibited their true potential by defeating Wheaton 19-16. In a fitting finale, Blair removed all doubts as to its strength as a team and defeated B-CC 27-6, in its third big upset of the season.

A Determined Squad

What the JV lacked in size and in speed, it more than made up for in its determination and will to win. The Blazers ended the season with a 3-3-2 record—a number of the losses being close, hard fought games. Einstein, Sherwood, and Peary all succumbed to Blair's relentless attacks, and the squad recovered from a 13-0 deficit to tie the Wheaton Knights. Many of the players of this team will be valuable assets to next year's Varsity.

Victory—the Result of Teamwork

This year the Blair soccer team compiled a 6-4 record. It displayed outstanding offensive and defensive ability and accumulated 26 goals to its opponents' total of 16. The excellent teamwork demonstrated the capacity of the different nationalities comprising the team to work together harmoniously, a "goal" for world understanding and friendship.

Miles of Training Rewarded

The Cross Country team completed its season without a single defeat, and captured both the Montgomery County and Maryland State Championships. Every afternoon for three months the team ran from two to nine miles – around the field, over Dale Drive, along Sligo Creek, and through Takoma Park. This strenuous training developed the speed, stamina, and skill which led to the team's successful season.

Adopting New Strategy

Blair's Varsity, adjusting to a different style of play under their new coach, turned in a record of seven wins and thirteen losses. The squad displayed good height, speed, and shooting in defeating such schools as Springbrook, Good Counsel, and Walter Johnson. In addition, the Blazers clashed with champion Northwood, yielding by a mere four points, and lost to B-CC and Walter Johnson by less than three points. The squad further proved its merit forcing both Good Counsel and Richard Montgomery into double overtime. With its year of reorganizing its strategy behind it, Blair's Varsity threatens to be a title contender next year.

An Undefeated Season

The Blair JV Basketball Team ended the season with a spectacular undefeated record. The opening game was prophetic of the season of sweeping victories with Blair defeating Springbrook by 19 points. Combining shooting skill with defensive ability, the team went on to defeat such strong rivals as St. John's, Walt Whitman, Walter Johnson, and Northwood. After slaughtering B-CC by 40 points, the undefeatable squad beat their strongest rival, Richard Montgomery. Another win over Northwood completed the outstanding season for the JV team.

Of the four Blazers competing, two emerged champions in their weight classes, and the other two captured second place in their respective divisions. The twelve men of the varsity practiced after school and with the JV received instruction on wrestling maneuvers and methods of increasing their strength, balance, and speed. These hard workouts developed ability and strategy, and paved the way for the squad's winning record.

Sure Shooting

Blair's marksmen, selecting their new teammates from open tryouts held after an intensive training program, held their first matches after Christmas vacation, shooting against such opponents as the Maryland University ROTC and the Navy Plebes. Fulfilling their potential behind a core of returning lettermen, the team compiled a 9 and 7 record. Early April saw a fitting climax to their successful season. Victorious in the National Sectional Tournament, they were rated among the top one hundred teams in the country.

Swift on the Cinders

This year the Blair track team, through strenuous daily workouts, overcame the handicap of not having a track to practice on. The squad fielded strong runners in track events of all distances, in the hop, step, and jump, and in relays ranging from one to four miles. The Blazers first showed their speed in the Roosevelt Relays, where, in the four events entered, the team took two first places, (setting meet records in both of these events), one second place, and a third place. With the season just under way, Blair's track team showed excellent promise to score well in both County and State championships.

Blair's baseball team displayed flexibility, exceptional speed, and a tight defensive unit capable of providing vital support for the pitcher. The offense, too, performed admirably, as "The Monster," an automatic pitching machine, was always ready to throw a few fast balls to a slumping slugger. This sure-fire power at the plate, coupled with crafty base running on the diamond, made every batsman a potential score. Sparked by superior coaching, with pointers from a former pro, and boundless enthusiasm, our squad was more than a match for even the best of teams.

The tennis team, composed of twelve devoted netmen, has built an excellent reputation on the basis of their many triumphs in this season and the last. The boys spent hours of afternoon practice on the Sligo Creek courts developing speed, agility, and coordination, as well as accuracy in serves and returns. Several star racketmen joined the determined first year boys in making this team a most formidable threat to area competition.

Foresight on the Fairway

Competing on the familiar area courses that these seasoned par golfers have played many times before, this year's golfing Blazers carried high hopes and showed promise for a successful season. At nearby Sligo Golf Course the team met for frequent practice rounds under the critical eye of Coach McKivigan; here they gathered again after matches to perfect their swings, stances, and grips, insuring their continued high performance from tee to green.

MUSCLES TENSE in a skillful spike at the climax of the game.

This year Blair girls participated in an active program of physical exercise and sports. The girls benefited by acquiring not only grace and poise, but also a sense of sportsmanship and fair play.

The G.S.A., Girls Sports Association, sponsored all extracurricular sports activities—intramurals, Sports Days, and Honor Teams. The Executive Board met monthly to evaluate the work of the subcommittees and to plan future events.

HANGING THE BARON in effigy foretells the downfall of B-CC.

Crisp fall weather, bright blue skies, and a feeling of excitement characterized this year's homecoming weekend. Friday's pep assembly with mock football players, cheerleaders, and majorettes officially inaugurated the festivities. That evening, Blairites danced at the spirited record hop. Saturday morning brought sunshine and the float parade through Silver Spring, terminating at the stadium for the traditional B-CC game. Throwing confetti and waving pom-poms, the students cheered the team to a 27-6 victory. That night at the "Manhattan Merry-go-round" formal, Blairites danced among the skyscrapers of New York, and when the evening was over, reflected on a wonderful weekend and a homecoming to remember.

Christmas '63

On the night after Christmas Blairites danced under sprigs of mistletoe at the "Mistletoe and Majesty" Christmas formal. The entertainment of the Collegians provided one of the highlights, but the climax of the evening came when admiring Blair classmates crowned Grace Rowell their Christmas queen.

The World of Carl Sandburg

One hundred and fifty students from the drama and speech classes presented "The World of Carl Sandburg" at the December PTA meeting. The production, which had run on Broadway, consisted of staged readings from many of Sandburg's unpublished works, including "Baby Poems," "The Machine," and "Whomadoom." This was the first time that a program of this nature had been undertaken by drama and speech students, and, if continued in the future, it will have introduced a whole new field of serious drama to Blair.

The Man Who Came to Dinner

This year, Blair's Senior Class presented the Kaufman and Hart comedy hit, *The Man Who Came To Dinner,* in a successful three-day run. The thespians delighted audiences with their interpretations of the diverse characters, ranging from a scatter-brained professor to a Hollywood glamour girl. The seniors comprising the stage crew, make-up, ticket, costume, and publicity committees worked together for many weeks prior to the performance to give the show the quality of a professional play. It was the biggest fund-raising project for the Senior Class, and netted enough money for a free prom.

The Annual Show

The preparations involved in producing this year's annual show required the close coordination of six different committees. The props committee built, begged or borrowed materials to construct the sets, while the costume committee fitted and sewed the colorful costumes, adding to the glitter of the production. The publicity committee distributed posters throughout the area, made radio "spot" announcements and wrote articles for the local papers, and the ticket committee handled the advance sales. At rehearsals, members of the stage crew trained themselves for twelve-second changes, and before the shows, the make-up committee, through powder and charcoal, transformed Blair students into performers of *Carnival*.

Carnival!

Living up to its reputation of professionally staged musicals, this year Blair produced *Carnival*, a poignant story about an orphan girl, a puppeteer, and a carnival. Rollicking scenes between a suave magician and his girl friend provided comic relief for the high emotional pitch maintained in the scenes with Paul and Lili. The four leads were supported by a superbly directed troup of singers and dancers. The Blair orchestra, augmented by selected members of the band, played the complicated musical score. Through school-wide effort, the student body and community enjoyed another widely anticipated and exciting Blair annual show.

Outstanding Ability

The purpose of the National Honor Society and the three language honor societies was to recognize students displaying outstanding interest and ability in their studies and school activities. The National Honor Society stressed qualifications not only of scholarship, but also of character, leadership, and service. The Latin French, and Spanish Honor Societies required participation in an extracurricular activity concerning their respective languages, as well as a straight "A" scholastic average. These Honor Societies performed a vital service to the school in providing tutors from among their members to aid other students to gain a better understanding of their courses.

SPANISH HONOR SOCIETY—*Front Row:* L. Triana, I. Wattenberg, S. Bender. *Second Row:* A. Stuppler, R. Spiekerman, B. Sun. *Third Row:* D. Frye, S. Sotsky, M. Silverstein.

Recognition of Ability

Blairites excelling in academic ability and performing skill were recognized by honor societies and special awards. Mu Alpha Theta honored the mathematically talented student and provided an afterschool tutoring service in all levels of math. Sixteen seniors who excelled in the National Merit Scholarship Examination became finalists, competing for the scholarship awards. Quill and Scroll recognized the creative writing of students who worked on the school publications, while Thespians honored those with dramatic ability. Students outstanding in the art of speech were inducted into Masque and Gavel where they practiced for forensic competition.

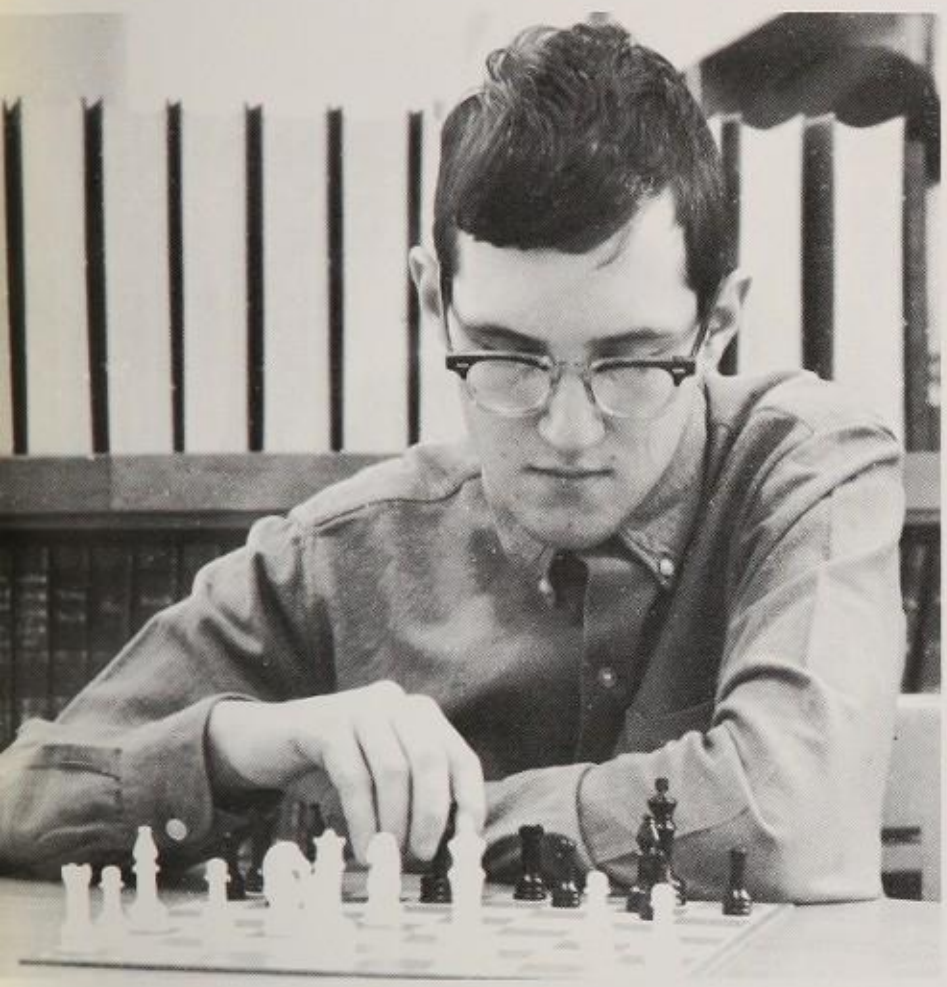
OUR FOREIGN EXCHANGE STUDENTS came from three different countries—Chieko Yamanouchi, Japan; Gabriele Klika, Austria; and Arly Britto, Brazil. Here they experienced and learned a new life.

ENGLISH HONORS went to Arthur Ogus and Steve Winters for their performance when they competed in the National Council of Teachers of English test. Arthur was a first place winner and Steve received an honorable mention.

STEVE WINTERS was a finalist and chosen as one of two alternates in the Westinghouse Science Search. Bill Hermach won an Honorary mention in the contest. Scholarship awards were based on individual projects and a standardized test.

NANCY H. GOLDBERG, MARTHA MEEKHAM, AND LEIGH GUINNEE were this year's American Legion Oratorical Contest winners. They were required to make an eight-minute prepared oration and a three-minute extemporaneous speech on certain aspects of the Constitution.

Individual Honors



PRACTICING, perhaps for his next match, is Larry Kaufman, this year's Maryland State and Eastern Junior Chess Champion. He also earned the rating of "Expert."

Mr. Wagner's Message

To the Class of 1964:

In the years ahead you will look back on your last term in high school with many memories. The pages of this annual will remind you of the outstanding events in your life at Montgomery Blair. You will no doubt recall the school year 1963-64 as one marked by great changes on the national scene, with the sudden passing of a president and the rapid and orderly transition to new leadership, working to maintain the position of the United States in the troubled world of these times.

We hope that your high school days have given you a solid base for future action. We hope, too, that these days have equipped you to make choices and to reach decisions that will serve you well in later life. It is important that we make long range plans in terms of our life goals, but it is just as important that we plan the activities of each day toward those goals.

Our best wishes go to each of you as you leave Montgomery Blair, and we trust that your high school days will have been the prelude to success, good health, and happiness in the future.

Cordially,

Richard E. Wagner

Never satisfied with today we have always staked our fortunes on tomorrow.

JOHN FITZGERALD KENNEDY
[1917-1963]

So Elliot from Tucker Bulland — what a name — Gads — what a guy! You are really what a case Gerry! I suppose there is another girl around that thinks as much of you as I do! Man — Remember those wild days at the beach — I'll be damned! I only love you a little — Gosh!!! Don't forget about the graduation party! I can't wait — Don't forget me Make sure Welles the summer — 5-58857 3! Bacalaireate Anyways — I'll see remember — graduation!! Maybe D.C. too! our behaves — Please — lasts forever + ever! I'm gonna have to stop on the right side of the road! Best of luck always! Love ya Always! Jan Libbie

P.S. my homeroom buddy — Tom where did you say the welfare money went too ?!
